March 15, 1899.

To MRS. PINKHAM, LYNN, MASS.:

"DEAR MADAM: - I am suffering from inflammation of the ovaries and womb, and have been for eighteen months. I have a continual pain and soreness in my back and side. I am only free from pain when lying down, or sitting in an easy chair. When I stand I suffer with severe pain in my side and back. I believe my troubles were caused by over work and lifting some years

"Life is a drag to me, and I sometimes feel like giving up ever being a well woman; have become careless and unconterned about everything. I am in bed now. I have had several doctors, but they did me but little good.

November 27, 1899.

"DEAR MRS. PINKHAM: - I feel it my duty to acknowledge to you the benefit that your advice and Lydia E. Pinkham's Vegetable Compound have done for me.

"I had been suffering with female troubles for some time, could walk but a short distance, had terrible bearing down pains in lower part of my bowels, backache, and pain in ovary. I used your medicine for four months and was so much better that I could walk three times the distance that I could before.

"I am to-day in better health than I have been for more than two years, and I know it is all due to Lydia E. Pinkham's Vegetable Compound.

"I recommend your advice and medicine to all women who suffer."

He is sick and he does not know it. He drags about, and therefore thinks he is well. He is despondent and peevish, and weak, and he does not know that there are merely signals-some from the stomach crying for aid-others from the nerves beseeching strength -still others from the great life-current-the blood -moaning that it is so impeded and clogged with

impurities that it cannot move. He, and all others like him, will find immediate relief in Dr. Greene's Nervura blood and nerve remedy. This is just what it was intended for. It never fails to make weak men strong and vigorous, puts new life, vim, strength, power and energy into them.

Dr. Greene's Nervura is New Life, Hope and Strength for Weak Men.

Mr. John D. Smith, electrician for the Thompson-Houston Electric Co., of Lynn, Mass., says:—"when a man has been sick and is cured, it is his duty to tell others about it, that they, too, may get well. Three yea sago I had been working almost right and day, could not (at regularly) and got only a few hour sleep at night. No man can stand that long, and I soon began it be prostrated. I could not sleep when if tried, and my food would not steep when if tried, and my food would not stay on my stomach. I was in a terrible condition, and was much alarmed. I went to dctors, but they did me no good. Learning of the wonderful good done by Dr. Greene's Nervura blood and nerve remedy, I determined to try it. It cared me completely of all my complaints. I eat heartily and sleep well, thanks to this splendid medicine. I believe it to be the best remedy in existence."

Dr. Greene's Nervura is the One Great Restorative Which Cures.

Dr. Greene, 35 West 14th St., New York City, is the most successful specialist in curing nervous and chronic diseases. He has remedies for all forms of disease, and offers to give free consultation and advice, personally or by let'er.
